****Additionally a onetime Rs 20000/- is payable along with first component of fees to process the admission.**

TRANSPORTATION

Efficiently mapped-out bus routes ensure that children spend the least amount of time travelling to and from school. For all enquiries regarding Transportation and Facilities please contact our transport desk: transport@deensacademy.com or +91 98450 08660

All decisions regarding finalisation of bus routes etc., and any issues need to be address to Mr Atiq Mohiuddin – Director Facilities – df@deensacademy.com

LABORATORIES

The various Science Labs, Physics, Chemistry and Biology are fitted with a wide range of tools, instruments and apparatus that are essential to perform a variety of basic to advanced physics, chemistry and biology experiments. All the experiments are monitored by experienced technicians and conducted under safe and controlled conditions. Every classroom is equipped with computers as well as projectors.

DEENS CAFE

On campus, we have a café managed by a professional company “Meals On Wheels”. The School has a hygienic canteen facility. Children are provided breakfast, lunch or both according to what has been signed up for with the caterer. All queries regarding the pantry are to be made to Mr Syed Akhil - akhil.kitchenonwheels@gmail.com or 9900854684

LIBRARY

The Deens College's spacious , airy library has been designed to foster an interest in books and is intended to offer every child the opportunity to explore and develop their individual interests. It houses over 3,000 educational and recreational books as well as other multimedia resources for both, the students and staff, to access.
